BRITTANY DIAZ

FULL STACK WEB ENGINEER

PROFESSIONAL SUMMARY

Brittany is personable and passionate skilled full stack web developer who's self-motivated with strong attention to detail and eager to make a positive impact. Brittany is recent graduate of the FastTrack Java Developer program, leveraging a background in hospitality management. Skilled in developing, deploying, troubleshooting, and maintaining Java applications. Having an appetite for continuous learning, I actively seek out furthering education courses to continue honing my personal craft. Experienced with collaborative group projects to include an interactive full-stack group project built using HandlebarsJS, NodeJS, and Express. Looking to bring my exceptional collaboration and love for problem solving to become an asset on the team.
